Dear Ted,

On behalf of my colleagues on the City Council, it was a pleasure having your organization participate in our 2009 ArtFest of Henderson event. The Piazza Colori component that you spearheaded was a great addition, allowing several artists the opportunity to showcase their talents by using the Henderson Events Plaza as their canvas to express their artistic and colorful chalk creations. These works were viewed by thousands who attended this community event.

The Piazza Colori project was successful in many ways. It brought the arts community together, raised funds for charity and reinforced the importance of the arts and culture initiatives for the city of Henderson.

Your hard work and dedication to the success of this event, as well as your humanitarian efforts throughout the community, is truly inspiring. We look forward to continuing this tradition for future years to come during ArtFest of Henderson.

Sincerely,

Mayor Andy A. Hafen
The City of Henderson
